## **How far we have come.....**

Written by David on May, 11 2008

On Saturday night May 10, 2008 a group of volunteers was at the Strand cleaning the theatre after the Gospel Concert. As our group worked, we realized we were the same group that did the first night of "let's get this project done" in August. That very hot night, on August 7, 2007, we realized we needed to kick the theatre in high gear. At that point, we had grant money that had to be spent by the end of the month. The real motivator was earlier that night, Gordon Hood quietly got our airless paint sprayer going, and turned half the ceiling under the balcony white! We knew we had to clear the path so Gordon could continue the with the paint primer.

You can see the change for that very hot muggy night in August, to the beautiful spring night in May. From left to right are David M. Finkel, Diana Powell, Lou Martin, Steve Frazee, Rhonda Schwegman, and kneeling is Gordon Hood.
