## 2008 ATOS Convention ? Day 5

Written by David on July, 8 2008

The 2008 American Theatre Organ Society's annual convention wrapped up today with a series of final concerts. The first concert of the day took place at North United Methodist Church in Indianapolis. The busses loaded once again at 1:00 for the short ride to Warren Performing Arts Center for the final performance by Jim Riggs. As expected, Mr. Riggs played an excellent, easy to listen to concert.

With final goodbyes, the convention comes to a close. The Strand is appreciative of the opportunity to participate in this years event. As the saying goes....."next time in Shelbyville!"
