Seat Numbering

Written by David on August, 4 2008

The Strand is preparing for the time when we need to sell reserved seating for an event. We have 385 permanent seats in 7 different sections. The Strand enlisted the help of Dean Everett of Chicago, IL. Dean spent many years as a professional usher at many of the major theaters in Chicago. Dean was able to suggest a numbering system that would help us efficiently and effectively guide the audience to their seats. This is the type of "behind the scene" work that makes our theatre what it is today. Thank you Dean!
