Exit 113 does it again!

Written by David on September, 20 2008

Exit 113 once again put on a great show at the Strand. They took full advantage of our expanded stage. Their keyboard player had plenty of room! The concert was well attended on what was a nice fall like evening in Shelbyville. The patrons were greeted by walking under our marquee renovation in progress.

Every had a great time as the band played two full sets. Thank you to the band for putting on a great show!
