State Fire Inspection Day

Written by David on October, 2 2008

On October 2, 2008 the Strand had a visit from the Department of Homeland Security. Representing the State Fire Marshall's office as Shelbyville native Paul Lay. Paul is a fire inspector and visited the Strand as part of our annual Amusement and Entertainment Permit.

Paul gave us a clean bill of health. He checked the fire rating tags of our curtains and the supporting fire rating certificates. He checked exit lights, fire extinguishers and we even pulled our fire alarm for a test.

Below Steve Dennis calls our monitoring provider to put our system in "test mode". Also, Paul Lay finishing the inspection. We appreciate the help and advise from these inspections!
