Having fun at the Strand!

Written by David on October, 4 2008

On October 4, 2008 Smashed Productions presented a fun night of music at the Strand. First on the bill was The Guild Guys. As we quickly learned it is the guys + a girl! They played an accoustic set of popular classics.

Next on the bill was the headliner R & R Classics. They played an 85 minute set that concluded with "Pretty Woman" and "Louie Louie". Their rendition of "Let it Be" was excellent too.

Poodle Skirts were everywhere!

A big Strand THANK YOU to all the performers and patrons that made this night a success!
