Spirit of America: November 8, 2008

Written by David on November, 8 2008

The New Life United Methodist Church performed their patriotic "Spirit of America" at the Strand on Saturday November 8, 2008. The program was a mix of spoken work, narration, adult and childrens choirs. The performance was very moving. A special tribute was read reflecting upon the Vietnam Memorial in Washington DC. The story was took to the point of view of the wall looking back. It was very touching.

The 23+ performers sang wonderful 4 part harmonies with deep rich tone. The Strand looks forward to having them back next year at this season! Not only did they provide excellent entertainment on stage, they also had yummy punch and cake for everyone who attended.
