2009 Strand Lecture Series: Theatre Pipe Organ

Written by David on February, 8 2009

The Theatre Organ: A Uniquely American Musical Tradition

The Strand Theatre in conjunction with the Central Indiana Chapter of the American Theatre Organ Society will present a lecture on the theatre pipe organ. This free lecture will highlight the history and technology of what is a uniquely American Musical art form. There will be lots of pictures and plenty of music in this informative lecture.

The evening will finish with an update on the Strand Theatre Pipe Organ Project. This organ is endowed by the Shelby County Historical Society.

Tuesday March 17, 2009 7:00PM. Admission is free.
