## Rule of Seven Rocks the Strand

Written by David on February, 21 2009

Smashed Production produced their first show of the 2009 season on Saturday February 21, 2009. Rules of Seven made a return engagement to the Strand. They were joined by special guest Shadowbox.

A great evening of progressive rock music was enjoyed by a diverse audience. There were several children in the audience that got to experience live entertainment on the Strand stage.

Both bands sounded great. All the musicians donated their talent to the Strand project. Thank you Rules of Seven and Shadowbox!
