Quality Work

Written by David on March, 18 2009

Joey Gaudin is in our projection booth testing a new piece of equipment. Keep in mind that the computer looking device on the board is just under \$7000.00. Notice the sturdy construction of the stand. In his defense, it is a name brand paper box, not generic!

Actually, we found the proper alignment and built a very sturdy stand shortly after this picture was taken.
