Kelley Baker ? The Angry Filmmaker

Written by David on April, 4 2009

Smashed Productions and Indy Film Co-op presented film maker Kelley Baker. Mr. Baker is known for his high quality low budget films. A hallmark of a Kelley Baker film is excellent writing. He explained the process, along with anecdotes about the trials and tribulations of producing films. The small but engaged audience was afforded the opportunity to ask plenty of questions. The multi-media lecture was full of examples and demonstrations of his work. Hopefully the Strand will be able to book one of Kelley Baker's films in the future.
