## Epic Fail and a surprise guest: May 2, 2009

Written by David on May, 3 2009

Saturday night May 2, 2009 the Strand and Smashed Productions welcomed the band Epic Fail to the theatre. This young group put on an energetic performance. Before Epic Fail took the stage we had a last minute replacement for our original first act. Rocky Zharp, California resident and Connersville native, stepped in to help us out. He put on a great show. He was funny and his songs were entertaining. Thank you Rocky for helping the Strand on short notice.

Rocky wears a belt for his "harp" or harmonicas. Can't say you see that every day:
