## **Mission Accomplished**

Written by David on May, 5 2009

The Strand was awarded a facade grant administered by Mainstreet Shelbyville, Inc in mid-2008. We have been working diligently on completing all tasks required for the grant. On May 5, 2009 Amy Haacker, Executive Director of Mainstreet Shelbyville awarded the grant check to Steve Frazee one of the founders of Strand Theatre of Shelbyville, Inc. See for yourself the transformation! All work was completed by volunteers except for the limestone cleaning. This was professionally done by Huber Bros. of Shelbyville. Everyone involved did a great job. Mission Accomplished!
