650 North: August 14, 2009

Written by David on August, 15 2009

On August 15, 2009 650 North was presented in concert at the Strand Theatre in Shelbyville, Indiana. This energetic band from southeastern Indiana played mostly original compositions.

They were joined by special guest Pressed in Black. The Strand welcomed these veteran Strand performers back for a well played first set.

This concert was in support of the mission of the Strand. All proceeds went directly to the Strand Theatre. Thank you to all the talented performers for helping make the Strand a success.
