## Ready for ? Tromadance

Written by David on September, 25 2009

Some things look easier than they are. Our Strand Loading Zone sign and the special B-Movie Celebration sign required the Strand to appear before the Shelbyville Board of Works. We petitioned for permission to place our loading sign for an extended period beyond our normal operations. We also petitioned to mount the additional B-Movie Celebration sign.

Thank you to Mayor Furgeson and the members of the Board of Works for granting our request!
