Wrecked + Pursuit of Apathy: October 3, 2009

Written by David on October, 3 2009

The structural steel in the balcony wasn't the only heavy metal at the Strand on Saturday October 3rd. Two talented heavy metal bands made their Strand Debut. Wrecked and Pursuit of Apathy both put on an outstanding show. This was a great theatrical heavy metal experience for all the patrons.

Both these bands donated their talents to the Strand. It was a great evening!
