Strand Theatre

?Homeland? is a patriotic musical cantata performed by the New Life United Methodist Church Adult Choir in Fairland, IN. It was written and orchestrated by Jay Rouse, Camp Kirkland and Rolin R. Mains. This is a musical celebration of our country ? our dwelling place ? our Homeland.

Musical selections will include patriotic audience sing-a-long songs, songs that recognize our veterans and familiar songs that showcase our freedom. The program will conclude on a triumphant word of assurance as the choir sings ?Battle Hymn of the Republic?. A video show featuring some of America?s beautiful places and our patriotic citizens will accompany the performance.

Veterans, as well as the generations that have preceded us, faced their own trials and found solace and encouragement in song. We invite you to do the same by attending this performance!
