Theatre Organ Concert: November 8, 2009

Written by David on November, 8 2009

Our friends and partners at the Central Indiana Chapter of the American Theatre Organ Society held a concert on the Wurlitzer at Manual High School in Indianapolis. California native Jim Riggs played an entertaining concert. CIC-ATOS and the Strand are partners in the Shelby County Historical Society Louisville Pipe Organ Company's "Uniphone" theatre organ to be installed in the Strand.
