Written by David on November, 22 2009

Push/Play performed on the Strand Stage on November 21, 2009. This outstanding band was formed with veteran Strand performers. They put on an energetic and popular 2 set show. They brought in a large audience and did a great job in raising funds for our theatre project!

The concert was produced by Strand Board Member and chief sound technician Ron Bush. Ron talked to the audience about the Strand project and his hopes that to expand our volunteers. He said "if you want to learn to run sound, volunteer....I'll teach you!"
