This weekend we have a full schedule. On Friday Night we are showing Last Man on Earth. The show will start at 8:00pm and is \$5 for all seats.

On Saturday we are transporting Shelby County back to the 1940's. We will be showing John Calvert Films in Continuous Showing. What is that? You will pay one low price (\$4.00) and be able to stay as long as you wish. The movies will be shown one after another continuously from 11:00am to 5:00pm. We will have our local Hot Dog Vendor outside with his cart if you would like a tasty hot dog. It will be reminiscent of times gone by. Strand friend Dick Delaney, who ran the Cinema 3 for decades, says we have it easy. He said the normal continuous run would have been from 11:00am to Midnight!! We have a concert on Saturday night, so 5:00pm will be it for us. Come and experience this with us. It will be fun.

On Saturday night Change of Plans will take the stage at 8:00pm. This band will sound great in the Strand and we look forward to their performance. All seats are \$7.00. This is produced by Smashed Productions. Come and enjoy a great night of music at the Strand!

Sunday our friends from the Shelby County Players will be loading in their show Inspecting Carol. This funny play will open on Thursday September 30th. The schedule is as follows:

Inspecting Carol	Thursday Sept. 30	7:30pm
Inspecting Carol	Friday Oct. 1	7:30pm
Inspecting Carol	Saturday Oct 2	7:30pm
Inspecting Carol	Sunday Oct 3	2:00pm

Come out and support live theatre in Shelby County. You will be glad you did.

A quick update on our little overcooked popcorn. Everyone has been great to us. The Shelbyville News ran a front page article that really demonstrated how hard our volunteers have worked to keep the Strand safe and viable. WSVX Radio ran a 20 minute interview about our little dilemma several times the end of last week. These have helped tremendously. First, the words of support our volunteers have received have been uplifting. Also the Blue River Community Foundation has received several donations to help offset our loss. There are many people in our community who have helped. Thank you to everyone for the support, contributions and well wishes through what has been a difficult time for our theatre. It is one more "notch of experience" that we now have. We hope not to get any more experience like that in the future!

September will be going out on a high note with all the great events. October is a short week away. We have the Shelby County Arts Fest, John Calvert live on stage, concerts, poetry reading, movies and much more. It will be fun October. Thank you for all your support. The Strand hopes to see you soon.
