## **Strand Work Continues...**

Written by David on January, 27 2011

The Strand is a busy place in January. After a very successful 2010 season the theatre needed some TLC. In January the Strand Volunteers work their magic. The work list for 2011 has included the following:

- Work on the Sound/Lighting Booth
- Trim the pillar capitals
- Paint, Paint, Paint
- Rework the plumbing fixtures
- Build and install concession area signage
- Install tile in the concession area
- Paint, Paint, Paint
- Install Cabaret Area Chandelier
- Check all 377 seats and repair where needed
- Sound system work
- Projection booth work
- New signs in window boxes
- Shampoo carpets
- Paint, Paint, Paint

We are committed to keeping the Strand in tip top shape! Below, Strand Board Member Rhonda Schwegman installs tile in the concession area.
