## **Stellar Community Grant Presentation: February 18, 2011**

Written by David on February, 18 2011

The City of Shelbyville presented their proposal for the Stellar Community Grant at the Strand Theatre on February 18, 2011. This is a competitive grant with Shelbyville being among the twelve finalists.

Presentations were made by:

Amy Haacker - Executive Director, Shelbyville Redevelopment Authority  
Tom DeBaun - Executive Director - Shelbyville Plan Commission  
Karen Martin - Director - Shelbyville Parks Department  
Rodger Keller - Shelbyville City Engineer  
Derrick Byers - MS4 Operator  
Lydi Davidson - Shelby County Aspirations  
Scott Furgeson - Mayor, City of Shelbyville

Following the individual presentations, the members of the selection committee were seated in the Strand auditorium for a short video presentation prepared by Smashed Productions. The video highlighted the worthwhile projects proposed by the grant application. A short PowerPoint was then followed by a question and answer session led by Mayor Furgeson.

The Strand is proud to be a part of this very important process. The selection committee members got a first hand look at what our community is capable of producing. They sat in a theatre that is a vibrant part of Shelbyville. The Strand did this with all volunteers in one of the greatest community efforts in our history.

Keep your fingers crossed for Shelbyville!
