Spoon River Anthology

Written by David on September, 11 2011

The Shelby County Arts Fest presents SPOON RIVER ANTHOLOGY at 5:00pm on Saturday October 15, 2011. The production is directed by B.J. Fairchild-Newman.

Edgar Lee Master's Spoon River Anthology was an immediate commercial success when it was published in 1915. Unconventional in both style and content, it shattered the myths of small town American life. A collection of epitaphs of residents of a small town, a full understanding of Spoon River requires the reader to piece together narratives from fragments contained in individual poems.

This production will have many community leaders reading the parts. It will be an interesting and insightful production.
