## Shelby County Arts Fest Chair Auction

Written by David on October, 15 2011

The Shelby County Arts Fest each year sponsors a public art contest. This year various groups from Shelby County decorated our 1938 Strand Seats. These chairs, built by the American Seating Company for the 1938 Strand renovation are still in use on our balcony. We have hundreds that used to be downstairs stored in our attic.

This year many groups participated. Each of the chairs is auctioned off at the end of the Festival to raise money for next year's event. You will note the unrestored chair below, that was the entry by the Strand volunteers!
