Michael Malone Comedy DVD Filming: February 11, 2012

Written by David on February, 12 2012

The Strand was SOLD OUT for the comedy performance of Michael Malone on Saturday February 11, 2012. Michael selected the Strand to be the location for the filming of his new comedy DVD. The Strand was proud to be able to host this event. In preparation our Board of Directors along with Michael decided that we needed to have as many seats full as possible.

With a tremendous amount of hard work by many people, the Strand welcomed 379 patrons on Saturday night. Remember, the Strand only has 377 permanent seats. This was what we had hoped. Every seat, including the entire balcony and upper balcony were filled.

The evening started with comedian DJ Dangler. He warmed up the crowd with some very funny material. After his set Strand board member Gary Nolley provided the audience with some guidance on what was about to happen with the DVD filming. Everyone knew their role and Michael Malone was announced and arrive on stage to a standing ovation.

Michael's material included stories about his Mom and girlfriend. It was nice to know that both were in the audience and laughing too!

It was a great event and also the first event that included the use of our completed marquee.

Please follow Michael's career and buy his DVD filmed right here in Shelbyville. The anticipated release date is March 15, 2012.

Below are pictures from the evening:
