Shelby County Fairground Grandstand ? Circa 1910

Written by David on June, 3 2012

Local historian David Craig attended an event at the Strand and brought us a picture of the Grandstand at the Shelby County Fairgrounds. He knew the Strand was a champion in preserving local heritage, so he thought we would enjoy the picture.

This photo was from around 1910. It was taken by a family member of David's. The nose of his racehorse can be seen on the upper left.

The Strand regrets the loss of the historic venue at our fairgrounds. We hope you enjoy the picture. Click on the picture for a full size version.
