## **Strand Theatre Weekly Email: June 15, 2012**

Written by David on June, 15 2012

Shelby Idol packed the Strand last week and we look forward to an excellent show this week! Doors open at 6:30 and the show starts at 7:00. This week is the Semi-Final Round. The contestants are ready, the judges are ready, the Strand is ready?..are you ready? Come and join the fun.

The Strand is ready. We are happy to say that. Last week we talked about our A/C failure. The theatre got a bit warm. This week Bob S. and his crew were on the roof working away. The news is good, all our units are back in operation and we have our full A/C capacity restored. On the fix-it front, we have been notified that our new relays for the marquee will arrive on Monday. The marquee will soon be back in action. The final broken item was our beverage cooler. It went back to the hospital for further repairs, we will find out soon whether or not it can be effectively fixed.

The Strand is not alone in our equipment failures. Many times people have come to the rescue of the Strand. When our popcorn popper had its problem (it burned, literally), Studio 10 was there to help. This week the Skyline had a popcorn popper failure. We were happy to pass along the help and provided popcorn to the Skyline while their machine was being fixed. Everything is back and running. It is always nice to help out the people who have helped us so much over the years.

This week our schedule was packed. We did not have any public events, but we had upcoming shows use the Strand for various reasons. On Wednesday night the Baggy Bottom Boys came to do a sound check in the theatre. This is where our volunteers have the opportunity to do a trial set-up of the equipment so that we can have them sounding great. The only problem was Shelby Idol contestants were there to do the same thing at the same time! Oops! Gordon H. took care of keeping everyone on track and making a success out of the night. From what we heard the Baggy Bottom Boys will be outstanding on June 23rd. If you like country music and bluegrass, you won't want to miss this show.

The Shelby County Players have been in the theatre planning for their upcoming production of "Damn Yankees". There are many decisions they need to make to be able utilize the Strand effectively. They always figure it out and do a great job.

Friday Night Frights is going to be fun with two "appropriate" movies this month. "Night Tide" and "The Phantom Planet", both from 1961, will be shown on June 22nd at 8:00pm. Come enjoy a throwback evening at the Strand.

Tickets are now on sale for the Chick McGee comedy show on July 14th. We are very pleased with the brisk pace of ticket sales. They are available at Mickey's T-Mart, so don't delay!

Thank you for all your support. The summer is a great time to experience live entertainment. Please come to the Strand or anywhere else where you can do that. The talent that is around us is amazing. We hope to see you at the Strand!
