## Strand Theatre Weekly Email: June 29, 2012

Written by David on June, 29 2012

It is hard to believe another week has gone by. We have had a fun week. There were several positive things that happened to the Strand. Our new AC has been tested by the weather (did anyone noticed it was a bit warm outside?), and passed with flying colors.

The Strand also had the opportunity to be on Doug Housemeyer's Smooth Jazz show on WICR 88.7. They have a very large, arts minded audience. We were able to spread the good word about the Strand and all the Arts in Shelby County. Thank you Doug!

We finished the week on a positive note with the Blue River Community Foundation awarding us a grant to help with the replacement of our exterior stage door. Thank you BRCF!

Speaking of the Blue River Community Foundation, several Strand volunteers were on hand to help them celebrate their 24th year. The wonderful work they do is quite amazing. It is hard to believe that they are starting their 25th Year! Our community is a better place because of the BRCF.

As the time approached to be highlighted in the Indianapolis media market, we took time to reflect the outstanding support the Strand receives from our local media. The Shelbyville News, WSVX Radio and Shelbyville Today have all been integral in helping us get the word out on all the exciting things that happen at the Strand. We are humbled every time the Strand is mentioned on air, in print or on the web. Thank you for your continued support of all the Arts and certainly your support of the Strand.

This weekend the winner will be crowned? twice. On Saturday night Shelby Idol Finals will take place at the Strand starting at 7:00pm. There are plenty of tickets available. The talent is great and it should be a fun show. We feel bad for the judges who have to crown only one winner in each division. From the sounds of the past few weeks, it will be a difficult decision.

On Sunday the Shelby County Fair will hold their Baby Contest at the Strand. This is a new event for us. We are pleased to be able to help the Fair Board as they work through the issues of their recent loss. The Strand will be a cool and happy place for all who attend.

The Shelby County Players are preparing their production of Damn Yankees. We look forward to them coming the end of July. As always, they are working hard to use the Strand in new and clever ways. We want to help get the word out early so you can plan to attend.

Comedy returns with Chick McGee on July 14th. The talent that comes to the Strand is helping us greatly. They make it possible for a little theatre like ours to be able to highlight the best in regional and national comedians. We are steadily booked with comedians thought early 2013! This will be a funny show, we hope you attend. Check out our new Comedian tab on our website home page.

As always it is a pleasure for all those involved to be a part of the Strand and what it brings to our community. If you ever have any questions, please ask. We have no secrets and are happy to make everyone "in the know" about the Strand. As we move forward it is more important than ever to seek out new ideas and help groups that use the Strand to further their missions. Thank you for YOUR support. The Strand is for you!

See you at the Strand.
