Curiosity Lands!!

Written by David on August, 6 2012

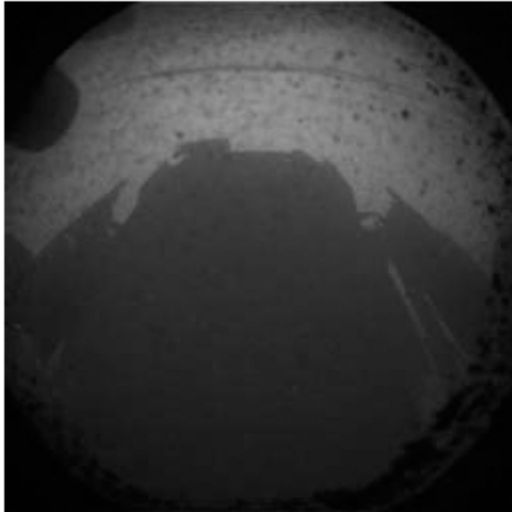

The Strand Theatre hosted a LANDING PARTY to watch the exploits of our newest Mars rover "Curiosity". The evening started at 9:30PM EST with over 50 in attendance.

Curiosity landed on time as planned at 1:31AM EST. There were over 20 that stayed to see the landing. The first pictures from the Martian surface arrived at the Strand minutes after the landing.

We had a great day. We started with a 2:00PM matinee of Damn Yankees followed by the NASA presentation. Thank you to all who experienced this historic event as a community at the Strand.

The picture below was taken at 1:40AM Monday August 6, 2012.
