The New Strand Sign

Written by David on August, 22 2012

The Strand will be installing our new sign on the rear wall of our theatre. In order to light this sign, the Strand petitioned the Shelbyville Board of Zoning Appeals for a variance. We proposed that the sign being internally lit, will be safer given the nature of the location. The BZA granted us the variance and the sign is being prepared for installation. Below is the documentation we submitted for this sign. We learned long ago that small projects can become complicated quickly!
