Strand Receives Grant Check

Written by David on August, 26 2012

Before the Comedy Show on August 25, 2012, the Blue River Community Foundation presented the Strand Theatre with a check. The Foundation awarded the Strand a grant to help offset the cost of a new exterior stage door.

In the grant proposal the Strand discussed the need for a safer door to replace the current door which was original with the theatre!

The Strand is appreciative of the continued support and encouragement that we have received from the Blue River Community Foundation.

Below Strand Board members Steve Frazee and Gary Nolley receive the check from BRCF board members Nisa Hensley and Phil Brown.

Thank you BLUE RIVER COMMUNITY FOUNDATION!
