Strand Gets National Attention

Written by Gary on August, 31 2012

As many of you know, the Strand has become a very popular place to watch stand-up comedians. This theatre is very much loved by comedians from all around the country. Now the whole world is going to get a look at our little theatre.

Michael Malone filmed his comedy special, *Casual Sext*, at our theatre in February of this year. It's will be released on October 18th.

Take a look at this image. Notice what is above Michael's name? Who knows, maybe more and more comedians will want to visit our place and film their videos as well. We couldn't have asked for better publicity than this. We are excited about the release of the video and what it could mean to our future and the possibility of the talent that this could lure to our city.

A BIG THANK YOU to Michael for letting us host his show. We are honored he chose us.
