## Strand Theatre Weekly Email: September 21, 2012

Written by David on September, 21 2012

The Strand has been busy these past few weeks with all sorts of fun things. Tonight will be a great night at the Strand. We have 2 FREE events. Both events are part of the Shelby County Arts Fest. At 6:30pm we will have a student film festival. This group of short films will last about 1 hour and are sure to be entertaining. The Strand volunteers were able to preview a few and students have done a great job.

Immediately following the film festival is a showing of the award winning "The Artist". This is sponsored through the Shelby County Arts Fest by The Bicycle Shop. This is a free showing and will start at 7:30pm. We look forward to seeing you tonight!

The Big Poppy performed at the Strand last week with special guest Jes Richmond. This concert brought rock and roll from the late 50's through the mid 70's to the Strand. The band wanted to help the Animal Shelter with this performance. The Strand presented a check to Keith Barrett, director of the Animal Shelter with a check of \$541. We are thrilled to be able to help others as well as our own mission through these performances. Thank you to all who helped make this a success!

The Strand participated in Tour d'Art at Forest Hill Cemetery. This was a fundraiser on behalf of the Shelby County Arts Fest. The Strand was thrilled to be able to share our tent with the Shelby County Library and the Shelby County Players. It was a beautiful day and everyone had a great time supporting a wonderful cause.

Film returned to the Strand last Saturday. In conjunction with the Skyline Drive-In, we showed 2 classic Sci-Fi films. Projectors were brought to the theatre and the presentation was with film, not a digital format. The small but enthusiastic audience represented people from 4 states that traveled to Shelbyville for this event. The Skyline was packed Saturday night with the continuation of the event.

Every time a Strand volunteer is on the radio the host asks "what is your web address". We always say "Google Strand Shelbyville" since our Universal Resource Locator (yes, that is what URL stands for) is [www.strand-theatre-shelbyville.org](http://www.strand-theatre-shelbyville.org). After a bit of research and a lot of suggestions, we have officially changed our url. The new address is [www.strandPAC.org](http://www.strandPAC.org). This is for Strand Performing Arts Center. The old address still works and will remain in your address bar when you visit the site. Strand PAC is much easier to say. It took us a little time to figure this one out, but we think we got it!

The Strand has a full schedule with the Shelby County Arts Fest as well as other events. Tomorrow night Costaki Economopoulos will be performing starting at 8:00pm. The doors open early at 7:00pm so you can come and mingle before the show begins. Be prepared to laugh with this nationally recognized comedian.

On Sunday the Shelby Community Band plays a free concert of all Disney music. Bring the family! The concert starts at 2:00pm.

Our building project is proceeding and we will write about that in another email that is scheduled for this weekend. The Strand has something for everyone! We appreciate your support and look forward to seeing you at the Strand!
