Nearby the Strand Map Feature

Written by Cody on September, 27 2012

As The Strand expands our audience and begins to draw in audience from outside Shelby County, we keep receiving inquiries about what else there is around us to do. Most often we are asked:

"Where is someplace good to eat before the show?"

Realizing this need for an online place to find this information, we have developed a new feature for our website. This map will give future audience members a place to go to find that restaurant, maybe a hotel for the night, or even other attractions Shelbyville has to offer near The Strand. Just click the image below to go to our new "Near the Strand" page and plan your next visit!
