## Rockphoria takes the stage

Written by David on December, 13 2012

The Rockphoria band is rehearsed and ready. Below is the band on Wednesday night during a rehearsal. This year's theme "The History of Rock and Roll (Part 1)" will take the audience through a musical journey. Early rock and roll did not have the electric bass as we know it. Rockphoria bassist Jim Wisker uses an acoustic bass for several numbers. This bass is lent to Rockphoria by the Shelby Community Band. It sounds great!
