Suessical, Jr: May 15, 2013

Written by David on May, 15 2013

Coulston Elementary School presented SUESSICAL, Jr. at the Strand Theatre on May 15, 2013. Director Beth Ray-Scott brought this performance to our theatre so her students could gain experience on a stage, not a gym floor. We were thrilled to experience the professionalism and dedication of everyone associated with the performance.

The cast, entirely elementary aged students, did a great job. They performed two shows. The first performance was in the morning for all the Shelbyville Central 5th grade students. The evening performance was for the public. Both shows filled the Strand to capacity.

Thank you to all the students, teachers and parents who helped with this performance.
