501c3 Application

Written by David on June, 12 2013

The Strand Theatre is a not-for-profit Indiana Corporation. We have operated under the fiscal sponsorship of the Blue River Foundation since our founding in October 2006. We believe that the oversight given by the BRCF has been crucial to bringing a level of comfort and security to all funds donated to the Strand.

To date all donations have been to the Blue River Community Foundation for the Strand Fund. As time has progressed, so has the maturity of our organization. Our Board of Directors felt the time was right for our application for 501c3 status.

This is not an easy process. We worked diligently in preparing the application for 6 months. We have been assisted by Kuhl & Grant, LLP in Indianapolis. This law firm has guided the Strand's application and prepared all the documents. This week the Strand submitted the final application to the Internal Revenue Service. This was accomplished with assistance from the Blue River Community Foundation who provided the application fee.

We feel fortunate to have Kuhl & Grant take up our cause. Thank you to Matthew Nolley, the lead attorney for this project.

Below are Strand Board members Gary Nolley and David Finkel along with Matthew Nolley in the Kuhl and Grant conference room on Monument Circle signing the final document.
