Harley Poe: August 23, 2013

Written by David on August, 23 2013

Harley Poe performed at the Strand Theatre on August 23, 2013. The concert was presented as part of our Friday Night Frights series. Harley Poe is a self described Acoustic Punk band. That was a fitting description for the music performed.

Their set consisted of high energy extremely crisp songs. Every song was written by the group. The crowd had a great time as did the Strand's volunteers.

After the concert the 1980 movie THE SHINING was shown. Most everyone moved to the balcony for this Stanley Kubrick classic.

We look forward to the return of Harley Poe in the future.
