Jimmy Pardo: September 21, 2013

Written by David on September, 22 2013

Comedian Jimmy Pardo performed at the Strand Theatre in Shelbyville, Indiana on September 21, 2013. The evening was hosted by MC Tim McLaughlin. The first comedian of the evening was Jeff Oskay. Jeff is a writer for the Bob & Tom Show and has performed at the Strand before. His set was funny!

Jimmy Pardo took the stage to music to wake up the crowd. Our sound volunteer Gordon H. got a credit from the stage for nailing the unrehearsed sound cue. Good job Gordon. (We have learned to always be ready and roll with the punches. Many times performers at the Strand spring all sorts of lighting and sound requirements just before the show. This experience has helped us be ready for anything.)

Jimmy Pardo had the audience laughing for his entire set. He did a great job of talking with some of our patrons from the stage. Certainly Sam in the front row got quite a boost for his Batesville based band! Jimmy was great from the stage, and he said many funny (and nice) things about the Strand.

Thank you to Jimmy for putting the Strand and Shelbyville on his schedule! We hope he comes back next year.
