Musical Madhouse Haunted House

Written by David on October, 25 2013

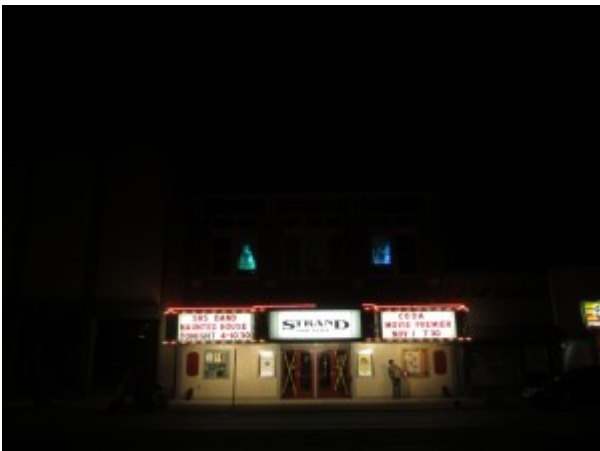

The Shelbyville High School Band held their MUSICAL MADHOUSE HAUNTED HOUSE at the Strand Theatre on October 25 & 26, 2013. The Strand was transformed into a spooky and scary place!

Over 75 band students volunteered their fall break to decorate and perform for this first time fund raiser for the Band Department. All 175 students enrolled in the SHS Band program had a part in composing original music for this fall fund raiser. The students wrote original musical motifs for the composition that greeted the guests in the lobby of to the haunted theater.

In addition to writing music for this festive event, the band students also had fun dressing in costume and scaring the hundreds of folks who passed through the theater. There are certainly some very creative kids in the SHS Band Department. Their parents even got into the act as adult supervisors during the set-up and open hours of the event. One parent commented, "This sure beats selling cheese and sausage!"

This has been a fun event for the Strand. The Band uses more of our theatre than any previous group.
