WORK SESSIONS

The Strand is having two work sessions this week.

THURSDAY - JANUARY 16, 2014

6:00pm

SATURDAY - JANUARY 18, 2014

9:00am

The Thursday night session will be spent working on our storage warehouse. This will include moving our new seats. The good part is we will have a fork lift, so it will be easier. There is still lots of other stuff to move. If you have a pickup truck that would be great. We are moving shelves that will be installed in our newly cleaned basements and attics.

Everyone is welcome. We have made great progress so far.

Thank you for your support of the Strand and the Arts in Shelby County!
