## **Strand Theatre Work Session**

Written by David on January, 24 2014

WORK SESSION: SATURDAY JANUARY 25, 2014

9:00AM - 2:00PM

There will be a Strand Theatre work session this Saturday January 25th starting at 9:00am. The work is going very well at the Strand. This week we will be removing all the items not needed from the theatre. This will involve a dumpster, and as always, a bit of dirt.

We will also have a crew continuing in the offices. We still have some items that need to be removed and surfaces that need prepared. The electricity installation has begun, so it won't be long until we are ready to plaster the ceilings!

The contractors have started the installation of the step extensions in our balcony. With luck we will be bringing the new seat into the theatre soon.

We welcome everyone to these sessions. They are fun and are helping our 98 year old theatre continue its mission as Shelby County's Performing Arts Center.

Thank you for your continued support!
