Work Session Pictures: February 8, 2014

Written by David on February, 9 2014

The Strand held a successful work session on February 8, 2014. This was the big day....our new seats were delivered to the Strand. A crew of 24 volunteers formed a "bucket brigade" to unload and place the new seats. The group has several members of the Shelbyville High School Band Program. These high school students really got things done!

Below are pictures from the move. A big thank you to Quickway Carriers, Penske Logistics and Kroger for providing the truck and trailer. Mike from Quickway had the seats ready to unload in perfect timing. The snow made it a bit difficult, but he was able to maneuver the trailer to the perfect spot.
