Friday Night Frights in April features:

RE-ANIMATOR

WORM

April 25, 2014

7:30pm \$5.00

WORM ? Socially awkward CHARLES lives in a world where we have lost the ability to dream. He longs for friends and love but has to settle for an over-bearing FATHER and a cosmetically-challenged dog. When the miracle product Fantasites, a parasite that returns our ability to dream, hits the market, the world quickly gets swept up in the phenomenon, and Charles is no exception.

Charles sees the trendy product as a way to connect with the friends he?s always wanted and finally get JUNE, the girl of his ?dreams.? But, Fantasites aren?t without controversy. Fun-loving fantasies ultimately give way to disturbing side effects, and when the product disappears from shelves, users go to horrific lengths to keep their brains detached from reality.

Charles soon finds himself struggling to keep the life he?s dreamed about from squirming away.

Friday Night Frights at the Strand Theatre in Shelbyville, Indiana starts at 7:30pm April 25, 2014. Tickets are \$5.
