Strand Weekly Email 10/21/2016

Written by David on October, 21 2016

Dear Strand Fan,

Tonight we welcome country music's BROOKE ROE to the Strand. She will perform at 8:00pm. Brooke Roe is a 22 year old up and coming Country Artist from Noblesville Indiana. Brooke got her start very early, performing on National T.V. when she was 12 years old. She opened for Country Superstar Kenny Chesney when she was 15, and made it to the 3rd Round of American Idol when she was 16. Brooke has recorded in Nashville with some of the top musicians in the world, and is producing a lot of great original music. We look forward to hearing Brooke at the Strand. Advance tickets are available at Mickey's T-Mart.

Tomorrow TERRY LEE and the ROCKABOOGIE BAND returns to the Strand. Terry performs music of the 50's and 60's. His energetic show was a hit last year and we are pleased that he is returning to Shelbyville for another performance. This performance is in support of the important work by the Shelby County Cancer Association. Tickets are available at the Cancer Association thrift shop on the Public Square or at Mickey's T-Mart. You will have a great time, we hope to see you there!

Even though it is only October, we are working hard at our renovation plans for this year. For those of you new to our emails, the Strand closes after the last performance in December and doesn't reopen until February. This gives our volunteers a chance to do some heavy maintenance work in the theater. The past several years we have done major projects. This year will be no exception. We plan on modifying our stage floor, completing our annex exit, connecting our offstage storage, and installing our stage portion of our lighting system. We will need your help. The work is fun (and a bit dirty).

The final shows of the year will be Donnie Baker on December 17th. He will be joined by Coach Kent Murphy. There will be two shows and it will be funny. Donnie always gives us the push we need to get into our renovation mode. While we always say we start after the holidays, we tend to jump right in!

This coming week we have several events. On Wednesday the Shelbyville High School JAG program will hold their induction ceremony. This is a very important event in the lives of these students. The public is welcome.

Friday Shelby Senior Services and the Shelby County Players will present their DANCING WITH THE SHELBY COUNTY STARS preview. This is your chance to see these local celebrities strut their stuff on the Strand's stage. This is always a very popular event and we suggest you get your tickets early.

Saturday we have a private fundraising event to finish the week. Saturday's event will feature the movie AIRPLANE and is also open to the public.

We love what we do. The Strand is a passion for many people in our community. Looking back on this past month, the Strand has put a big checkmark by each of our 4 core values. Quality of Life...check! Community Self Esteem...check! Economic Development...check! Artistic Freedom...check! The only checkmark left is the one counting you in the audience.

Thank you for the support. See you at the Strand!
