Written by David on February, 2 2018

Dear Strand Fan,

WORK SESSION

SATURDAY FEBRUARY 3, 2018

9AM - 1PM

We have a very small task list for tomorrow though it will be quite time consuming. We have to try to get all the painting done. This is they type of project that can ?linger on.? It is time we get our offices done and in use supporting the mission of the Strand. Once the painting is done, we have to clean up the balcony area and the offices. Finally moving everything back into place! We could use your help, hope to see you there.

Next week we start our 2018 Season. We have two events:

Friday Night Frights

DRILLER KILLER (1979)

February 9, 2018

7:30pm \$5

Driller Killer, from 1979, is iconic for fans of the genre. It will kick off our 2018 Friday Night Frights Series with a recently restored copy.

Valentine's Concert

DANIKA and the JEB

February 10, 2018

7:30pm

\$15 advance \$20 door

If you like ?coffee house? easy listening music, you will want to experience the nationally touring duo. We are fortunate to bring them to Shelbyville. The contact with the artists started May of 2017 for the performance this coming week. This is a concert where we need our community to support our efforts in presenting not only local and regional entertainment, but also groups who tour the country.

If you can?t help tomorrow, that is OK. Stop by and check out the progress! Thank you for your support. See you at the Strand.
