Special Strand Work Session

Saturday March 24, 2018

9am - 1pm

The Strand Theatre will be holding a special work session this Saturday March 24th. We have completed a tremendous amount of work this year. It is time to move some of our furniture and filing cabinets into our newly renovated offices.

This will require help! We will also continue painting, so we will have something for everyone. If you are able to help, we need it! There are several items that need moved about the theater and a few that are going to Grover Museum.

(Someone told us it will snow, if that is the case we will not be holding the work session.)

For further information or questions, please call [317-395-3318](tel:317-395-3318)

Thank you!
