Vampyr CANCELLED May 25, 2018

Written by David on May, 24 2018

The May 25, 2018 Friday Night Frights showing of the 1931 classic VAMPYR is CANCELLED.

Road work in front of the Strand makes it difficult for the contractor to maintain access to the theater. They have graciously offered to keep things open for us, but we are partners as well and have opted to cancel Friday's event to help facilitate the smooth and effective renovation of our curbs and sidewalk.

Steve F. writes: I think it's a small investment of our time in cancelling versus the long term state of the theater. As such, there will be no movie on Friday night. See you June 2nd for ERIC SOMMER in concert.

Thank you for supporting the Strand.
