Time to say goodbye...

Written by David on December, 5 2018

Our website has been the same since 2008. The server space has been donated by National Automotive Lines for the past 11 years. It is time to say goodbye to this old WordPress site. In January 2019 we will be launching our new website! This will be much easier and friendlier. How can a website not be friendly? Have you every tried our current site on your phone? It doesn't work well. The new site is customized for the viewing platform. All the content of this site will be on the new site. Take a look at the old site as you will soon see a change.

Thank you,
The Strand Marketing Volunteers.
